**Venue** – The Shoppes at Northpark, Jerome's lease space

**Charity**–Mercy Health Foundation- Stroke & Parkinson's Educ, Treatment & Research

***OAI art shows are produced by juried Oklahoma artists interested in making a difference in our world through fine art, charitable community support and health education.***

This will be our 15th very successful upscale art show with 25 artists exhibiting. It's a very popular show with an appealing venue, wine, food and fabulous paintings, sculpture and jewelry. The shows in the past have been very well attended and people are most pleased with their purchases of original art, giclées or framable cards from the original art.

Dr. Richard V. Smith, Medical Director of the NeuroScience Institute, will give a free, informative and well attended talk on Stroke Prevention & Treatment. All raffle items and a percent of all sales will be donated to the Mercy Health Foundation- Stroke & Parkinson's Education, Treatment & Research. OAI has given \$30,130 to date.
